Interlibrary Loan Request Form

Interlibrary Loan is a service for all SOCoE Libraries patrons who need materials not available in the libraries' collections. We can borrow physical books, documents, reports and journal articles.

Email your completed form to usarmy.usajfkswcs.socoe.mbx.library@socom.mil

You will receive an email notification when your item is available for pick up. Electronic articles will be emailed to you directly. Please Note: the speed at which requests are filled is dependent upon the lending library. Please allow additional time for physical book requests.
